

# OUTLAW IN-LAWS

Putting an end to family feuds, one home at a time.

39 X 30' HD

OUTLAW IN-LAWS is the first hit series to shed light on a problem that faces families far and wide: issues with the in-laws.

When your in-laws are driving you up the wall, and the tension is too much to bear, now there's finally help! Internationally renowned advice expert Ellie Teshler visits homes suffering from family feuds and gets them back on track. Ellie exposes the reality of in-laws gone wrong and helps bring peace to families everywhere.

Ellie is one of the top advice experts in the field. Her syndicated column is read by millions and runs in newspapers across the world. With trademark wit and wisdom, Ellie confronts in-law issues, devises solutions and transforms families.
