

New factual programs from Picture Box 2009

Outlaw In-Laws
39×30' HD

When your in-laws are driving you up the wall, and the tension is too much to bear, now there's finally help! Internationally renowned advice expert Ellie Teshler visits homes suffering from family feuds and gets them back on track. With wit and wisdom Ellie exposes the reality of in-laws gone wrong and helps bring peace to families everywhere.

Breeder of the Pack
5×30' HD

What profession requires show business acumen, a knack for genetic manipulation, the honed instincts of a seasoned corporate raider and hairdressing skills? Welcome to the world of dog breeders. Offbeat and endearing, *Breeder of the Pack* follows the eccentric and opinionated people who populate the dog world, and the passionate lengths to which they go to defend their desirable pooches.

The Lie Detective
13×30' HD

The Lie Detective follows independent polygraph examiner and self-professed truth seeker Ken Donaldson as he helps people from all walks of life in their quest for the truth. Whether it's a husband desperate to know his wife is being faithful or an employer who suspects an employee of stealing, Ken helps them face difficult questions and finds answers that change their lives—for better or for worse.

Anna and Kristina's Grocery Bag
39×30' HD

Experienced hosts Anna Wallner and Kristina Maticic (*The Shopping Bags*) put popular cookbooks to the test. In each episode, they try out and review recipes, ingredients, appliances and food preparation techniques to see if the average cook can re-create the beautifully photographed meals. At the end of the show, a guest chef gives a final evaluation of the meal and decides if the cookbook delivers the goods.

Modern Love
6×30'

This is a sexy and entertaining look at remarkable individuals who are forging new relationship trends in the 21st century. The award-winning documentary series examines couples who have found new alternatives for building lasting love in our post-modern world. We see swingers; a multiple partner marriage; a marriage with one gay partner and one straight; and a lasting marriage of two women, one of whom used to be a man. Who said love was simple?

The Chef's Domain
8×30' HD

Chefs are passionate about two aspects of their profession—how they cook and the ingredients they use. This series shows how the relationship between chef and supplier is revolutionizing what we eat. Whether it's foraging in the woods searching for edible flowers to add to a salad or visiting a local farmer whose methods of farming and ranching honour the land, viewers will discover that behind every plate is an adventure.
